THESE TOURS ARE INTERESTING

North Pacific Coast and California tours are becoming more popular each year with residents of Western Canada who have a haven for two or three months during the extreme winter of the prairie country. Inherent in the tour for those who have leisure to make the trip for a shorter period to include the pastime afforded, or "back in the equator" of these "sunny climes" this season.

The Grand Trunk Pacific railway and Steamship lines have formulated a series of tours at rates that we submit are attractive. By this route you enjoy the finest scenery of the Canadian Rockies and a 700 mile Ocean voyage through protected waters of the famous "Inside Channel" a water trip that is not equalled for scenic beauty in the world. The steamships are the finest and fastest in the North Pacific regular trade—all outside—meteoric, but cold running water in each room, electric lighted throughout, and fully equipped with modern wireless telegraph system. Meals and berth are included without extra charge while on board ship from Prince Rupert to Vancouver, Victoria or Seattle.

If you are contemplating a trip, we will be pleased to arrange a complete itinerary that will interest you of all attractive tours. Apply to any agent of the Grand Trunk Pacific Railway or write to Mr. W. R. Duperow, general Passenger Agent, Winnipeg.

GRIP, INFLUENZA

McClary's Wizard Oil is a Reliable, Antiseptic Preventive.

During influenza epidemics spray the nose and throat several times a day with one part Wizard Oil and two parts water, using an atomizer. If you haven't an atomizer, gargle the throat and sniff the mixture up at the nose. This treatment sets up an antiseptic wall of defense against the germ.

Chest colds and sore throat lead to grip. Drop them at once with Wizard Oil before they can develop into dangerous influenza.

Get it from druggists for 50c. If not satisfied, return the bottle and get your money back.

Overlooked or have sick head, ache? Just try Wizard Liver Whisk, pleasant little pink pills, 50c at drug store.

Let us show you the Kootenay.

SERVICE FIRS

You will find us always at your service. It has been and is now our aim to make this store a good place for you to buy your tobacco, not only in the class of tobacco carried and the selling of the same at reasonable price, but also the service which pertains to the handling of the goods.

OUR STOCK IS LARGE
By having a big stock we are in position to satisfy almost any customer and by keeping clear of cheap goods we can recommend to you any articles which you may purchase from us.

OUR PRICES ARE REASONABLE
Many times have people from other districts told us that our prices are lower than in their home town. This is largely due to the fact that when prices were soaring we put in a large stock and at times were selling some lines of goods lower than wholesale prices.
